

Where's Nanna's Teas???

We have been a "Pop Up" restaurant at several locations for over a year. We were most recently featured at Dippers Ice Cream and Coffee. From March 24th through April 14th Nanna's offered Afternoon Tea, Special Events (like Birthday Parties and business meetings) freshly baked Pastries and Sunday Brunch.

Nanna's is no longer at Dippers. We are now focusing on opening Gourmet Market and Tea Emporium at 1407 Krameria St, Denver 80220.

We will continue to be a "Pop Up" restaurant at various locations.

As a Pop up we will be at 9th and Jersey Bar and Grill a couple doors south of Dippers. Open at 9am every day. A friendly Mayfair neighborhood restaurant featuring Italian and Greek specialties daily.
